ONLINE HUMAN RESOURCES TOOL

Online Job Description builder and Salary Benchmarking tool, as well as Benefits Notices Generator and COBRA Notices Generator.

hr360 in Action

Who is hr360 for?

Available for employers looking for HR assistance and resources to help with anything from supervising employees to complying with federal and state labor laws. The HR Library assists employers every step of the way.

How does it work?

- Employer recognizes need for additional HR assistance and resources to eliminate risk of failing to comply with state and federal laws, rules, and regulations.
- BASE[®] provides employer with an annual subscription to the HR library, which provides an attorney-reviewed source of HR news, tools, forms, and training. It's like having an HR department at your fingertips.

What are the benefits?

Benefits to Employer:

- **More Information.** The HR Library gives you easy-to-understand explanations and analysis of complicated laws and confusing acronyms.
- **More Forms.** Our comprehensive collection of proprietary forms includes human resources forms, sample policies, checklists, and model documents - all in a downloadable, ready-to-use format.
- **More Answers.** The online library content is managed by a team of attorneys and HR specialists who are dedicated to delivering the premier online HR library and tools to help you stay compliant.

Benefits to Employee:

- **Answers.** Employers now have access to an around-the-clock online HR department at their fingertips to provide their employee with up-to-date information and tools.
